

1 st Quarter Bank Robbery Prevention Training

January 22, 2010

Dear Manager,

The West Des Moines Police Department seeks to assist local banking establishments with providing a **FREE** bank robbery prevention training class to local banks. Due to the increase in banking establishments in West Des Moines and the rise in requests for bank robbery prevention training, any future training will be held on a quarterly basis at the West Des Moines Law Enforcement Center, 250 Mills Civic Parkway. This is being done to accommodate as many businesses as possible.

Training will include bank robbery prevention before, during, and after a robbery as well as WDM Police Department procedures on responding to alarms. If your banking establishment would like to request a site survey to review camera placement and security, a separate time will be set up.

New Training Dates:

March 11, 2010: 9:00 am – 10:00 am

March 12, 2010: 12:00pm – 1:00 pm

Class space is limited so registration will be provided on a first come basis. Deadline to register for the class is 3 days prior to the class date. For more information or to register contact me at 515-222-3333 or tanya.zaglauer@wdm-ia.com.

Sincerely,

Officer Zaglauer

Officer Tanya Zaglauer
